February 27, 2006

To: Parties Interested in Serving on the Port Hueneme Harbor Safety Committee
Subject: Harbor Safety Committee Vacancies

The Office of Spill Prevention and Response (OSPR) is announcing openings on the Port Hueneme Harbor Safety Committee for a representative from each of the following organizations:

- **Dry Cargo Vessel**; expiration of Len Mazzella's term
- **Commercial Fishing Operations**; expiration of John Gingerich' term
- **Tug or tank barge operators** expiration of Michael Fullilove's term
- **Recreational Boat operators**: expiration of John Dunbar's term
- **Offshore Platform Supply Vessels**; expiration of Richard Thompson's term
- **Fresh Produce Cargo Vessels**; expiration of Charles Caulkins' term
- **Refrigerated Cargo Vessels**; expiration of Michael Karmelich's term
- **Liquefied Natural Gas**; this is a new position.
- Recognized nonprofit **environmental organization** that has as a purpose the protection of marine resources. The prior member was Damon Wing.

Qualified persons representing an organization listed above in the Port Hueneme Area are encouraged to apply. Internet site <http://www.dfg.ca.gov/ospr/organizational/msb/harbor/appform.pdf> contains a printable Harbor Safety Committee application. Applicants must complete this form and attach a current resume which indicates their qualifications. Applications for the position must be post marked no later than **April 14, 2006**. Mail application materials to:

Laura Jansen
Office of Spill Prevention and Response
P.O. Box 944209
Sacramento, California 94244-2090

OSPR intends to appoint the new member at the May 4, 2006, Harbor Safety Committee meeting in Port Hueneme.

Questions regarding the position, requirements or the application process may be directed to Laura Jansen at: the above mailing address, e-mail address ljansen@ospr.dfg.ca.gov, or telephone number (916) 327-9859. We look forward to hearing from qualified applicants.
