

<b>1. TITLE</b>	<b>Environmental Policy</b>
<b>2. PURPOSE</b>	<p>To set policy for compliance with environmental statutes and for the adoption of an environmental framework.</p> <p>The purpose of the policy is to serve as a foundation for making certain the District's environmental policy is supported with clear principles and actionable goals.</p>
<b>3. POLICY</b>	<p>The District's environmental policy provides that the District shall fully comply and adhere to the California Environmental Quality Act (CEQA), as well as, applicable local, state and federal regulations related to the District. The District is committed to managing resources and conducting its business in such a manner as to be both environmentally and fiscally responsible. The District will strive to manage the environmental impacts of port operations on the local community, consistent with CEQA, as well as applicable local, state and federal regulations, through the implementation of pollution prevention measures and by partnering with vendor and customer that have shared environmental goals.</p> <p><b><i>The Guiding Principles of the environmental framework approved by the Board on October 24, 2011 are:</i></b></p> <ul style="list-style-type: none"> <li>• Optimize commerce in an environmentally responsible manner.</li> <li>• Encourage and foster environmental stewardship and the protection of natural resources.</li> <li>• Engage, educate, and collaborate with the local community, port customers and tenants and Naval Base Ventura.</li> </ul> <p><b><i>The Policy Goals are:</i></b></p> <ul style="list-style-type: none"> <li>• Identify and implement sustainable practices in marine terminal and industrial operations and management.</li> <li>• Educate and inform the local community, port customers and tenants, and Naval Base Ventura County about port operations and environmental programs.</li> </ul>

	<p><b><i>The program focus areas are:</i></b></p> <ul style="list-style-type: none"> <li>• Clean Air Program</li> <li>• Clean Water Program</li> <li>• Soil/Sediment Programs</li> <li>• Sustainability Programs</li> <li>• Community Engagement Programs</li> </ul> <p>Marine Resources, Fisheries and Wildlife Program</p>
<p><b>4. RELATED POLICIES AND PROCEDURES</b></p>	<p>California Environmental Quality Act.</p> <p>Standard Operation Procedures _____ related to CEQA</p>
<p><b>5. DEFINITIONS</b></p>	<p>None</p>
